

2015 Farm Intern Classes and Field Trip

Classes are conducted every Monday afternoon starting on May 18th and concluding on August 17th. Unless otherwise specified, all class sessions run from 2:00 to 3:30 PM. There is also a field trip to another farm scheduled for Tuesday, July 21st. Transportation for the field trip is provided to and from Troy Gardens.

There will be readings associated with each class, which will be emailed out a week in advance. All readings must be completed prior to the associated class. All interns will also receive a copy of the Troy Community Farm Intern Training Manual.
