

# Madison FarmWorks Urban Gardener Training

Madison FarmWorks offers educational programs to help gardeners build their organic vegetable production skills. All workshops are held at the location of your choice.

## One-on-One Urban Gardener Training

Madison FarmWorks offers individual consultations for gardeners of all levels. This one-on-one, personalized instruction helps the gardener build skills in organic gardening right in her own garden.

**75 minutes = \$120**  
**3 sessions ~ 75 minutes each = \$295**

## Top 5 Organic Gardening Techniques

This indoor educational session focuses on valuable techniques to help improve participants' organic gardening skills. Includes handouts and a photo presentation of successful gardens. This session works well over a lunch hour.

**45 minutes**  
**\$50**

## Organic Gardening Techniques Class Series

This educational series explores additional topics of importance to vegetable gardeners who wish to expand their skills and increase production in their gardens. Also includes handouts and a photo presentation of successful gardens. This series works well over several lunch hours.

**3 sessions ~ 45 minutes each**  
**\$275**

## Topics covered in each session can include:

Creating a Garden Plan

Building Soil Fertility

Weed, Pest and Disease Management

Spring Garden Prep

Mulching

Proper Watering

Harvesting & Post Harvest Handling

Ideas for Preserving the Harvest

Fall Cleanup

## Urban Gardener Group Workshop

This on-site workshop is offered in the garden at your location. Experiential learning in the garden gives participants the opportunity to delve deeper into organic gardening topics and build their skills.

**2 hours**  
**Up to 20 participants**  
**\$195**

## Urban Gardener Group Workshop Series

Similar to the workshop, this series of three hands-on classes also takes place in the garden. The topics are tailored to the needs and goals of participants and they offer input into the information covered in each session.

**3 sessions ~ 90 minutes each**  
**Up to 20 participants**  
**\$475**
